

DANTOM

RESOURCES

Our expertise is resourcing the manpower & staffing solutions by providing the sustainable, credence and reliable services for IT sector.

Our Services

At Dantom Resources, we provide comprehensive IT staffing solutions for companies of all scales. Our services are designed to extract the outstanding talent with complying client requirements.

❖ Contract Staffing

Our contract staffing services allow you to access specialized IT skills without long-term commitment. Our team of experienced recruiters will help you find qualified professionals who can join your team on a project basis.

With our contract staffing solutions, you'll have access to the skills you need, when you need them, without the expense of hiring full-time employees.

❖ Permanent Staffing

Our permanent staffing services help you find the right employees to join your team on a long-term basis. We use a proven recruitment process to identify, attract, and screen candidates who are the best fit for your organization.

Our team will work closely with you to understand your business needs, culture, and requirements to ensure we find the right talent to help you achieve your goals.

Our Process

Here's an overview of our staffing process:

- Job posting and application review
- Initial screening
- Interviews Background checks and references
- Decision and offer
- Onboarding and training
- Assigning to IT companies

Benefits of our Staffing Services

- ❖ **Access to specialized IT skills**
Our staffing services allow you to access a wide range of specialized IT skills, including software development, cybersecurity, cloud computing, data analysis, and more.
- ❖ **Reduced recruitment costs.**
Our staffing services can help you reduce the costs associated with recruitment, such as advertising, interviewing, and screening.
- ❖ **Increased flexibility**
Whether you need short-term contractors or permanent employees, our staffing services offer the flexibility to find the right talent for your needs.
- ❖ **Timesaving**
Our team of recruiters will handle the entire recruitment process, saving you time and allowing you to focus on your business operations.
- ❖ **Risk mitigation**
With our staffing services, you'll have access to qualified professionals who have been screened and vetted by our team, reducing the risk of hiring the wrong candidate.
